

User Led Monitors

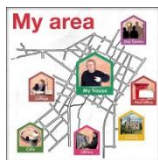

Tell us what you think!

We are 5 people with learning disabilities from the Elfrida Society.

Our job is to find out what people think is good and what could be better.

We would like to talk to you

We won't tell staff and other people what you say. It will be confidential.

We will write a report for the Council about what is good and what needs to be better.

We will arrange to meet with you either at your service or over the phone.

If you have any questions call Elfrida on 0207 359 7443 and ask to speak to Marcus.
