

About the Elfrida Society

The Elfrida Society (Elfrida) has been working with people with learning disabilities for 100 years.

We work in the community with people in and out of Islington.

The Elfrida Society has always stood up for people with learning disabilities.

We believe that people with learning disabilities have a right to do the things that they want to do and have their voice heard.

The Elfrida Society are proud to have people with learning disabilities working for us.

At the moment we have 22 staff, including 14 people with learning disabilities, and a team of volunteers.

Our Mission

The Elfrida Society mission is to support and connect people, and to make lives happier.
