

Dear future Trustee Help shape the future of the Elfrida Society

Trustee Recruitment Pack

Welcome

Thank you for your interest in the Elfrida Society. We are excited to be recruiting new trustees to join our Board of Trustees team and help us build on the great work the charity is doing and to help us achieve more.

Since the start of my position as Chief Executive Officer in Sep 2019, under the leadership of our current chair and board of trustees, we have led a process that has transformed the charity into the focused and sustainable organisation we are today. There is no doubt that the COVID-19 pandemic has changed the charity sector landscape and more recently we are seeing the impact of the cost-of-living crisis. But we are ready for the challenge, we have the liquidity to survive, and we have the plans to emerge from this challenge a more agile and impactful organisation.

We are not complacent; we know we are a work in progress and most importantly we have the Trustees and staff team who are eager to improve outputs and are ready for the challenge.

We need the support of more trustees to help shape our future and ensure that we continue to deliver our vital work for people with a learning disability and/or learning difficulty across Islington and beyond.

We think this could be you. We want you to use your voice to make sure that we continue to improve, to innovate and work to ensure that people with a learning disability and/or learning difficulty have the same chances and opportunities to succeed in life and that their voice and rights are represented.

We look forward to hearing from you!
